Instrumental Music Program Overview

Wantirna College is proud to be a leader of Instrumental Music in Victoria. The College has a holistic approach to music education, with students actively engaged in both instrumental lessons and a vibrant ensemble program. In the recent Parliamentary Inquiry into the benefits of music education, the researchers found conclusive evidence that

- *Music Education can enhance student engagement and wellbeing as well as personal and social development, and contribute to learning in other subject areas.*
- *Music Education benefits schools by encouraging and modelling cohesive communities.*
- *Music has economic, cultural and social benefits for the wider community, including providing a pathway to employment in a range of occupations, increasing cultural vibrancy, and contributing to greater cross-cultural understanding and appreciation.*1*

At Wantirna College, students have weekly group or individual lessons with leading music educators in the State. All students work through a documented instrumental music curriculum, with opportunities to access and prepare for Australian Music Examination Board examinations, Trinity College Music Examinations and also an internal music examination process.

Wantirna College offers tuition in the following instruments*2:

- **Trumpet, French Horn, Euphonium, Trombone, Tuba**
- **Violin, Viola, Cello, Double Bass**
- **Flute, Clarinet, Oboe, Saxophone, Bassoon**
- **Piano**
- **Voice**
- **Percussion**
- **Bass Guitar, Guitar**

As part of the extensive ensemble program, Wantirna College offers participation to students in the following ensembles:

Core Ensembles:

- **Junior Band, Concert Band, Symphonic Band**
- **Guitar Ensemble, Advanced Guitar Ensemble**
- **String Orchestra, String Ensemble**
- **Middle Years Choir, Later Years Choir**

Extension Ensembles:

- **Contemporary Bands**
- **VoxEns**
- **Stage Band**
- **Percussion Ensemble**

We strongly believe that Music Education should be available to all students, so lessons and ensemble participation is heavily subsidised and offered to families at a very low rate.

Instrumental Music Contribution*

Wantirna College Instrumental Music is a self-funded program. This means that we rely on the money raised from the annual parent contributions to run the program.

The Instrumental Music Contributions are compulsory fees that must be paid (or payment plan commenced) through your Compass portal BEFORE your child can become involved in the program.

Please also note that music contributions are non-refundable.*

Your compulsory contributions:

- cover part of the expense of running our successful program;
- provides our students with quality specialist music teachers; and
- contributes to the purchase of sheet music, hire instruments and equipment, as well as associated repairs and maintenance costs, and many other program-associated costs.

Accompaniment/VCE Students

We provide accompaniment for school events. There is an additional compulsory 'VCE Music Enhancement Contribution' paid by VCE students, due to the additional accompaniment, equipment and staffing they require (see next page).

Additional Costs

We offer lessons that are far less expensive than private tuition. However, the Instrumental Parent Contributions do not cover all costs of participating in the program.

Additional costs incurred by each student may include purchasing instruments (**please consult your Instrumental Music Teacher before purchasing instruments**), servicing and repairing instruments, Music Camps and excursions, bus transport to and from performances, and fees for AMEB and Trinity Guildhall practical and theory exams (which are optional exams).

Ensemble Uniform/Performance Blacks

All Instrumental and Vocal students need to purchase an ensemble uniform for performing at various events during the year. Please refer to page 5.

Music Camp

The proposed dates for the 2023 Music Camp for all students in the program (including Voice students) are Wednesday 14 to Friday 16 June and it will be held at Forest Edge CYC, 405 Menzies Rd, Neerim East (in Gippsland).

** Subject to school council approval*

***Eligible parents can use CSEF funding towards the cost of camps.*

Instrumental Music Lesson Information

Students will have lessons in small groups with a maximum of four students per group. Each lesson lasts for 37 minutes (half of a single period) and takes place during normal school hours. Lesson days depend on the instrument the student is learning and which teacher is providing the lessons.

All students are expected to go to their Instrumental Music Lessons instead of their regular classes.* Please note that students should also go to their instrumental lessons even when they are on Monitor Duty for the day.

Year 12 students are not required to miss classes and will have their instrumental lessons scheduled either during their study periods, before school, after school or at lunchtime – depending on timetabling constraints.

Instrumental Music Lessons are timetabled to rotate across different periods on the same day each week to minimise disruption to classes over the Term. It is the student's responsibility to catch up on any work they miss in their normal classes while having an Instrumental Music Lesson.

Instrumental Music Lessons and Ensemble Rehearsal times can be found on each student's Compass schedule. An example student's weekly timetable is provided on the following page, with the Instrumental Music Lesson and Ensemble Rehearsal circled.

***IMPORTANT: Year 7-11 students who have assessments (SAC/tests) when their music lesson is scheduled, should still attend their music lesson and their classroom teacher will reschedule their assessment.** (Year 12 students are never scheduled during class time).

Ensembles

It is **mandatory** that all students having instrumental or vocal lessons provided by the College, will participate in a **core** ensemble, as appropriate to their instrument and standard. Students will only receive lessons if they are a part of our ensembles.

Piano students are required to be in a Choir or the Percussion Ensemble. There are a limited number of spaces available in other ensembles for piano students, by invitation only.

Once students are successful in gaining a place, they will be assigned an ensemble and their Ensemble Rehearsal time will be added to their Compass schedule. Some beginning students will commence ensembles later in the year than others, depending on their instrument and level of expertise.

We currently have seventeen ensembles, which rehearse either before or after school, or at lunchtime, on various days of the week.

Students having private instrumental tuition outside of the College are also invited and encouraged to participate in our College ensembles (please refer to 'Ensemble Only Contribution' on p.5).

IMPORTANT

Purchasing Musical Instruments

PERCUSSION STUDENTS

Students choosing to learn Percussion are required to purchase a Percussion Pack that has been put together specifically for the Percussion students at Wantirna College.

The Percussion Pack includes drumsticks, one pair of glock mallets, an optimum glockenspiel with bag, practice pad and stand. The cost is around \$300, but includes quality instruments that will retain their value. The pack is available to order online at

<https://www.optimumpercussion.com.au/index.php/optimum-glockenspiel-with-bag-practice-pad-stand.html>

PIANO STUDENTS

Students choosing to learn Piano must purchase their own keyboard* to use for practising at home. We recommend a weighted, 88 key instrument. This could be a Yamaha P45 or P35, available from Keyboard Corner in Boronia, phone 9761 0003.

If there is already a piano at home, there is **no need to purchase a keyboard.*

GUITAR & ELECTRIC BASS STUDENTS

Students learning Guitar and Electric Bass are required to purchase their own instrument. If you are learning an electric instrument, you will also require an amplifier for home use. The College owns amplifiers, which the students can use during lessons and ensemble rehearsals, however they are not hired out to students to use at home. Students learning Electric Bass will be required to purchase their own amplifiers for home practice.

We recommend the purchase of either Yamaha or Fender acoustic guitars.

We recommend Fender or Squire brands when purchasing an Electric Bass. We particularly recommend the 'Beginner Bass and Amp Combo' from the *Bass Centre* in South Melbourne.

ALL OTHER INSTRUMENTS – Please consult your Instrumental teacher before purchasing.

PLEASE NOTE: Instruments from Aldi or Bunnings are not suitable.
